HOW TO USE YOUR PENSION POT WISELY

So you've done the right thing and saved for when you retire. But now what?

Maybe you have several pension pots? What about old employer's pension schemes? How does your state pension fit into your plans? Do you have a plan?

Let us help you make the right choice

You now have more choices than ever when you retire. But there's no point having those choices if you don't make the right decisions. After all, you don't want to run out of money.

When you approach retirement let us help you make the right choices. Our approach is simple: we find out all about you; we understand your goals; we get to know your appetite for risk. We then use all the tools and expert knowledge at our disposal to offer you solutions. Only then can you make an informed choice.

THE VALUE OF PENSIONS AND INVESTMENTS CAN FALL AS WELL AS RISE AND YOU CAN GET BACK LESS THAN YOU INVESTED.

To learn more about how we can help please contact
Andrew Fish, DipFA Financial Planning Consultant:
